ABSTRACT

Assalamualaikum w.b.t. My name is Nurul Nadiah Binti Mahiran. I am student from the Faculty of Civil Engineering UiTM Pasir Gudang. Engineering student should involve to do Industrial Training (IT) so they can suite themselves for a graduate job in their chosen field. It is a chance for us to apply what we have learned at university to work in future.

First of all, this report is about my industrial training that I have been going through for two month, which is 7 weeks. The place where I having my industrial training is at O & L Jurutera Perunding Sdn Bhd company. I choose this place as my location for industrial training is because this company was suggest by my own father due to this consultant is his friend company and for sure it near to my home as well. The reason I choose to do my internship privately because I believe that I will gain a lot of experiences and of course knowledge about being an engineer . This internship give me an opportunity to learn and develop new sets of skills.

ACKNOWLEDGEMENT

Alhamdulillah, all praises to Allah for the strengths and His blessing in completing this report exactly within given time. First of all, special appreciation goes to my supervisor, Mr. Khatif Tawaf bin Mohamed Yusof who had taken a lot of efforts to arrange our industrial training between us and our employer. Not forgotten, my appreciation to my industrial supervisor Norazlan bin Mashadi, for his support and knowledge regarding this report.

Besides, I would like to extend my gratitude to the organization, Datuk Ir Othman Abdul Rahim, Director of **O & L Jurutera Perunding Sdn Bhd** for his kindness and his trust for giving me the opportunity to practical training there. And at the same time, a deepest thankful given to Mohd Nur Elyas Ibrahim as senior technical & executive assistant and Mohd Khairul Suboh as technical coordinator who had gave a lot of effort to teach me a new thing and give me try to involve in their work. My acknowledgment also goes to all the officer and office staffs of **O & L Jurutera Perunding Sdn Bhd** management for their cooperation.

Lastly, I would like to give a special thanks to my family, friend who gives support to me during this industrial training.
