## ACKNOWLEDGEMENT

First of all, I would like to thank ALLAH S.W.T and my family for given me strength and patience during my internship I had with (your company) also during my internship reports. It was a great chance for me to learn and develop from professionals. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many outstanding people and professionals who led me through this internship period. I would like to thank my supervisor lecturer Puan Intan Bayani Binti Zakaria for the guidance and for all the advices she bestowed upon me. She inspired me to work and commit in this internship to the very end.

I've kept in mind that previously I am using this opportunity to express my deepest Gratitude and special thanks to the Mr. Joshua Kang who in spite of being quite busy with (her/his duties), but took time out to hear, guide and keep me on the right path and allowing me to carry out my project at their esteemed Organization and extending during the training.

I express my deepest thanks to Cik Khalilah Naim, my executive and also my team leader who is responsible for useful decision & giving necessary advices and guidance and arranged all facilities to make the project more easier. I choose this moment to acknowledge his/her contribution gratefully.

It is my place to send my best regards, deepest sense of gratitude to (Muhammad Amin, Muhammad Yusri, Shazman Amirul, Nur Izzati ,Nurul Syahidah and Mohamed Shahidam) for their diligent and guidance which were extremely valuable for my study both theoretically and practically.

I took this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on improvement, in order to achieve desired career in the future.
