ACKNOWLEDGEMENT

Assalamualaikum,

First of all, I would like to say 'Alhamdulillah' to Allah that has given me strength and patience to do this report and finish this assignment smoothly without any problem. Besides, I would like to thanks to my parents for their support in term of financial, advice and support me till I be able to prepare and completing this task properly.

Other than that, I feel grateful to my beloved supervisor at JKR Negeri Selangor, Sr. Shahrul Effendy Bin Ahmad Shahrum and his assistant Encik Asmawi bin Idris for giving me the opportunity to learn during the practical session. Therefore, a lot of appreciations thanks to my lecture who supervise me during this semester, En Khazli Aswad Khalid. He gives me a lot of knowledge that I do not know during the progress critic session in order to finish my report for BSR360.

Furthermore, I would like to thanks to all my friends Ap1196D because they are willing to share the knowledge together. Every time when I seek for a help, they surely will give a good commitment at any time. A very unforgettable good deed for those who has been contributed for this assignment.

Finally, I would like to thanks for those who involve directly or indirectly during the session in order to complete this task. Hopefully that, this report will be the best.

Thank you.
