ASAKA Construction Company Profile

COMPANY OVERVIEW

ASAKA Construction Sdn Bhd is one of the largest heavy architecture and civil engineering contractors in the industry. Our firm has built a solid reputation for market excellence, drawing on a rich history and a strong heritage of quality, stability and innovative leadership in the marketplace for over past 5 years.

The ASAKA Construction Company was established in 2000 by Ir. Muhammad Sahidi bin Yahya . Asaka is a leading provider of Social Housing in the country.

The company has grown organically by re-investing its earnings to fund the company's growth.

One of ASAKA's key focus areas is the development of young talent and today boasts six black female shareholders who hold in excess of 52% of the company's shares - TRULY EMPOWERED.

The company is currently registered with the CIDB as level 9 GBPE and 9 CEPE. ASAKA has been registered with the NHBRC since its inception and remains in good standing. Through Ir. Sahidi's involvement, ASAKA is a founder member and leading role player in AMIC (Asian Men In Construction). Ir. Sahidi is the immediate past president of the Black Business Council for the Built Environment
