INTRODUCTION

The recovery of our economy now gives many advantages to investors and entrepreneurs to enter in new business that will raise profit due to much demand from customers. Former, when the economy of our country have been lack of, that is between 1997 and 1998, the investors and entrepreneur cannot force into new business because no demand from customer. Customer just demand for necessary product like cloth and food in their life. But now, the recovery of our country's economic has give opportunity to the investors and entrepreneurs to enter in the new business or enlarge their business.

The recovery of the economy has made an increase in cost of living. An increasing in the cost of living of the citizen has made them able to get anything that has been supply in the market. Entertainment now has been needed in our life. Due to this we have involve in this go-kart business as a partnership. Go-Kart business is fall under motor sport as well as entertainment. This kind of business can full the needed of customers who like the entertainment in their life and sport especially motor sport.

Besides that, government have support to all entrepreneur to enforce in motor sport business, especially Kementerian Belia Dan Sukan. We have use this alternative to enter in this kind of business in go-kart business which is named Atomix Karting Circuit, located at Taman Ria, Sungai Petani will be operating on 1 st January 2003. We choose this place because it has the ability to attract the customer to come to our place. Taman Ria has enough infrastructures to cover our business. The place is near the main road
