BUSSINESS OVERVIEW

As more education centre are being developed in Malaysia, creating various needs for attires and souvenir, Miracle Creation Sdn. Bhd. is increasing its commitment to develop itself and improve its competitive edge.

Initially, Miracle Creation was formed to give services such as manufacturing uniforms, t-shirts, certificates and many more for the education or in Penang area . This company is formed on the basics of potential that every year we have new students and surely the education institutions needs to have their own batik shirts/scarf. Furthermore there is a lot of activities plan by education institutions on the needs of attires and Souvenirs on Convocation and sports day. All of these proved that our business riability to satisfy the market demand.

Miracle Creation aims to get licensed from the Education Institution that will give us permission that we are the only company offering selling and manufacturing attires and souvenirs according to the logo of the institution. The interesting part of miracle company is we apply the vendor system, that means we do not have any machines to make the attires and souvenirs but we send to the vendor to make it. The advantages here, we never consider for the machines maintenance and we reduce the workers.

Miracle Creation is set to be a high performance level and successful 100% Bumiputra Company established in Malaysia.
