ACKNOWLEDGEMENT

Assalamualaikum. First of all, I would like to thanks to our mighty god, Allah S.W.T for giving me enough time and space to finish this report. Even though I faced lots of problems in finishing this report, I still managed to finish it on time. Once again, Alhamdulillah.

Then, I would like to give thousands of appreciation to my beloved lecturers, Encik Hasnan Bin Hashim because he patiently teaching me, guide me courage me, giving opinions and information to finish this report without asking any rewards. Besides that, I also would like to thanks to my supervisor at JKR Putrajaya, Puan Fadzilah Binti Sulaiman because although she is busy with her work or matter, she still spare her time to check and giving comment about my final project report. She also gives opinions and information about my report.

I also didn't forget to both of my parents and family member for supporting both physical and mental, and giving me strength and encourage me to fulfill the requirement to finish the report.
