## PURPOSE OF PREPARING BUSINESS PLAN.

The business plan is prepared to apply a loan from Mayban Finance to finance our additional capital that needed to start this business.

Besides, this business plan also prepares for as a guideline and valuation from outside to convince them about stability of this company.

It also prepared for customers and suppliers, in given them a view about our strongest in asset and financial. The business plan is also a guideline to a new entrepreneur who interested in involves the same business.

Otherwise, this business plan can also be a guide to our company to manage the company more systematically and efficient, so that long-term plan can be done with more properly.

Other than that these businesses plan also can be a place to practice our knowledge and skill and prove own capability among Bumiputera to involve in this business.
