ACKNOWLEDGEMENT

Assalamualaikum,

In the name of Allah The Most Compassionate and The Most Gracious. Alhamdulillah, the report for final project this semester I manage to complete it on time. Even though it's only a short period time to complete this report, but I have try my best to complete the assignment. First of all, I would like to extend my deepest gratitude and special thanks to all those who have directly and indirectly guided me while I'm were doing this report. I want to express my deepest appreciation to my lecturer Sr. Mohd Zaki Shamsudin.

I express my warm thanks to Mah Sing Group Berhad for giving me opportunity to have accepted me as their intern in their company. Mah Sing Group Berhad has given me information and permission for doing this report. They also help me a lot by explain to me and teach me how to do the payment in construction base on my case study. I also would like to disclose my heartfelt to some amazing individuals for the guidance, and advice throughout 14 weeks, the period of my training at Mah Sing Group Berhad. Besides that, I would like to thank Ms Ong Chin Ping (General Manager) and also her team member, Ms Chan Sit Wai (MGR), Ms Norazura Binti Ahmad (Assistant Manager), and Ms Siti Noorbani Binti Abdullah (Senior Executive) for give me many new experience including develop my understanding, knowledge, and feel of the real situation of working at department contract, and also some information about construction work. Then, I could like to give my sincere credit to Edmond Tan Chia Fook (whom also an Internship student that doing practical training at Mah Sing Group Berhad) and also to the staff of Mah Sing Group who have extend their cooperation and help for me to learn and understanding more about construction. It is a big honour for me to be part of Mah Sing Group Berhad team even though it is only for 4 months.

ABSTRACT

This report will be explains about payment in construction. Payment in construction is an important element in construction work. In this report I will be explain about payment in construction base on Mah Sing ways. This report is divided into several chapter and start from chapter 1. Chapter 1 is the details of company and end at Chapter 5 conclusion. At this report also I will attached my reference and appendix as extra information. For chapter 1 I will explain details about my company profile during my internships at Mah Sing Group Berhad. The location of my company during internship. I also have talk about organization chart of my company. And also another topic that I will explain in this chapter. Chapter 2 is literature review, at this chapter I will explain payment, plan of work of payment, classification and function of payment, method of payment and lastly for this chapter I will talk about the advantage and disadvantage of payments. Next, chapter 3 is case study. In this chapter I will explain in more detail about my case study, what payment involve in my case study, the process of valuation payment that involve in my case study, why must contractor and consultant paid progressively, term and condition of payment in my case study and process of interim payment to contractor in my case study. Chapter 4 is problem and recommendation. In this chapter I will talk about the problem that usually happens in my company during the payment process and I also will give so suggestion for overcome the solution for this problems. And lastly Chapter 5 is conclusion. That I will conclude all chapters that I do in this report.
