## ACKNOWLEDGEMENT

I would like to express the deepest appreciation to my UITM supervisor Sr Dr Mohd Azian Zaidi , who has guided me along this completion of my practical training report . I would like to give a big thanks to him for continually convincing and keeping a spirit to finishing this report. Without his guidance and persistent help this report will not have been a possible.

I would like to thank my practical training coordinator Sr Mohd Nurfaizal Whose work demonstrated to me about all the practical things and also concern about us during our practical session . Sr Mohd Nurfaizal also organize the briefing session once a week to make sure that we all fully understand and give confidence before practical start.

In addition , my heart felt thank you to Encik Nurul Azmunir Bin Ahmad Assistant Engineer (JA29) as my practical training supervisor. Who introduced me to the infrastructure works and also guided me along the practical training session .

Lastly, my big appreciation and a million thanks to my parents who have been my primary support for me to accomplish my intership. They supported me financially and motivated me morally to be a good and proffesional person throughout my career.
