Dissertation Title : Implementation Of Welfare Aid Scheme Kelantan In
Armalah Programme : Case Study At Dun Kijang

Signature of Student : 

Date : January 2018

ABSTRACT

Armalah scheme was implemented to provide support to the *armalah* such as financial aid and socio-economy as a purpose to improve this *armalah* programs and identify the management of the implementation of the programme *armalah*, whether the aid received to provide effectiveness in a long time or vice versa. Lately, *armalah* get attention from all walks of life. The mass media also often post news and stories about *armalah* and single mother. The purpose of this research is to study on the implementation welfare aid scheme Kelantan in *armalah* program at DUN Kijang. This study focuses on main which are the management of implementation welfare aid scheme and the impact through this *armalah* program. The research methodology used two method which is primary and secondary data. Primary data was consisted interview and field observation. While the secondary data are consist library sources which is book, article journals and internet. The findings from this study that the management is managed well and most of the *armalah* are aware and understanding about the program implemented.

ACKNOWLEDGEMENT

I would like to convey my sincere gratitude and appreciation to my supervisor Assoc.Prof Mohd Asri Bin Abdullah and co-supervisor, Assoc.Prof Zulekha Bt Yusoff who guide me, assist and support me during the process of the entire research. Their broad knowledge, valuable comment and response given, have been of great value for me. Their understanding, inspiration, and tolerance have provided a good basis for the present research.

Furthermore, I also appreciate all the respondents who spend their time in helping me to complete the question. I would be impossible to finish my dissertation project without their involvement. Therefore, I truly appreciated the efforts of my respondents who are provided us with beneficial information.

Finally, I would like to thank my family and friends who are supporting me throughout my studies at University Technology MARA (UiTM), Shah Alam. Once again, I am thankful to all the people who have provided me with assistance in completing my Final Year Project.
