Executive Summary

The Company's name chosen for our ETR300 group business proposal is "Nur's Global Farming". We have chosen that particular name as our identity because we have the desire to go globally when we are stable in terms of management and financially. "Nur's" represents all our partners' first names which also mean "light" in Islam.

We have chosen Partnership as our business form due to more pros and cons as we compared before engaging into this business together. This Company consists of 5 (five) partners; Nur Suryati Binti Mohamed Marzuki as the General Manager, Nur Fajrina Binti Rabihi as the Administration Manager, Nurliyana Amira Binti Kamisly, our Marketing Manager, the only thorn among the roses, Nurhakim Bin Nuruddin as our Operation Manager and finally, our Financial Manager, Nurlydiazzati Binti Osen.

We have contributed capitals accordingly both in terms of cash and assets. We are offering breed of goats, fresh goats' meat, fresh goats' milk and also, goats' droppings to our target market and target shares.

We will be operating at No. 1, Kampung Tanjung Apong, Asajaya, Kota Samarahan and will commence our business on January 1st, 2011.
