ACKNOWLEDGEMENT

First of all, I would like to express my highest gratitude to Allah S.W.T for His guidance, bless and for giving me the strength to perform my responsibilities as a trainee and complete this industrial training report within the stipulated time.

My grateful thanks goes to the Jabatan Kerja Raya Sandakan, Sabah for giving me the opportunity to carry out my industrial training in this agency for 17 weeks period. A big contribution and hard worked from staff during practical period is very great indeed.

The special thank goes to my helpful supervisor, SR. DR Mohd Fadzil Mat Yasin, my supervision and support that he gave truly help the progression and smoothness of the internship programme. Not forget, great appreciation go to the rest of Jabatan Kerja Raya Sandaakan, Sabah's staff that help me from time to time during the project. The whole program really brought us to appreciate the true value of friendship and respect of each other.

Great deals appreciated go to the contribution of Department of Building Surveying. My grateful thanks to Sr. Mohd Nurfaizal Baharuddin as my lecturer that take responsibility for this internship training because he really hard worked to make sure that my internship place was accepted. Not forget to my other lecturer that always give support and motivation to undergo this internship.

Lastly, to my family and friends that also give me strength and guide to continue my journey as a trainee and complete my internship. Thank you to all of you that involve as direct or indirect to make sure this programme smooth and clear.
