ABSTRACT

Lately, we always heard of incidents occurred in the hotels in foreign countries. It causes loss of valuable properties and even loss of lives. There are many reasons that contribute to those situations, one of the reasons are due to the carelessness of staff and guests. Other than that, some of the incidents were caused by violent crimes and also from natural disasters.

Many hotels have their own safety & security department to control and overcome the problems because they have the understanding on the importance of the safety and responsibilities to protect their guests.

Many aspect need to be considered in order to ensure the safety and security in hotels. They should know the areas to be controlled and trained staffs to ready in any emergency situation. The building itself need to be equipped with safety facilities maintained in good condition.

ACKNOWLEDGEMENTS

I would like to take this opportunity to express my appreciation to all of those who contributed in completing this dissertation. This has been so far the most endured and challenging task for the final year students of Department of Building Surveying, FSPU, UiTM in order for us to complete our study. Many individuals contributed towards my understanding and thoughts. In particular, I would like to express highly appreciation to my supervisor, Prof. Madya Sr. Dr. Hj. Ahmad Ezanee Hashim, who given me the support and guidance towards my study, for his invaluable assistance, guidance, and understanding throughout the research work and especially during the writing of this dissertation. Special acknowledgement also to the staff and management of Istana Hotel, JW Marriott Hotel, and Berjaya Times Square Hotel for their cooperation and contributions for my research. Special thanks to my beloved parents, Hj Mukhtar Mustaffa and Hjh Makalthom Abdullah and to my family for their everlasting support and prayers towards the completion of my study. And not forgotten my classmates for their encouragement and also bringing up smiles in my life.
