ACKNOWLEDGEMENT

Firstly I would like to express my special appreciation and thanks to my supervisor Madam Nur Fadhilah Binti Bahardin, you have been a tremendous mentor for me. I would like to thank you for encouraging on how to do my final project. Your advice on this final project helps me a lot to finish this final project. I also want to thank you for letting an enjoyable moment, and for your brilliant comments and suggestions, thanks to you. I would also like to thank to my classmates that always help when I facing hardship and they always give idea from the start until I complete this final project. Thank all of our friends who supported us in this final project, and incented us to strive towards our goal.

Furthermore, thanks to my supervisor at this Majlis Bandaraya Alor Setar Madam Fazlin Binti Hashim as the engineer assistant at this company for provide the information for me to complete my work for my case study. Without help from her, it's really impossible to complete this final project. Besides that, thanks to all the staff here to help me during 4 months of my practical training.

Other than that, I would like to thank my Practical Training Coordinator, Sr Mohd Nurfaisal Bin Baharuddin who also guiding me and give advice during this practical training and give a lot of advice related to format of final project. A special thanks to my family. Words cannot express how grateful I to my mother and father for all of the sacrifices that you've made on my behalf. Your prayer for me was very priceless.
