## ACKNOWLEDGEMENT

The most thankful to Allah S.W.T for giving me an opportunity to complete my report on time. This report is prepared because it was my responsibility as a student UiTM in completing this practical training.

First, I would like to thanks to JKR Jajahan Pasir Puteh taking me as a trainee at this company.

I also want to express my thanks to my supervisor En Noramin. As my supervisor he, always assist me in many things not only knowledge about building surveyor but also soft skills such as attitude, responsibility, critical thinking and much more.

Last but not least, most thanks for all BS Departments and lectures in assist me about all the practical training process. With their help I am able to complete these report and almost done my practical training program. I am so gratefull to all BS lectures that always reminds me and update all new information about the practical training that really help and guide me in completion my practical training program. For my fellow members and seniors not forget to my family that support me and help me in completion of this report and for whole practical training process.

Thank You.
