ACKNOWLEDGEMENT

ASSALAMUALAIKUM....

Alhamdulillah, blessing to ALLAH S.W.T because with his pleasure I can finish my final report right on time and successful. Blessed, effort and inducement from all quarters very I appreciated and I speech with thanks a million.

I am very grateful to Jabatan Kerja Raya Hulu Langat because like and shot me opportunity to undergo my practical training for 4 months in Jabatan Kerja Raya Hulu. Thank you from me to Encik Nor Hibatul Wafi Bin Nor Zarin's department head, building engineer, Encik Mohd Azmi Bin Harun, assistant engineer, Puan Suriani Bt Suratin and all above Jabatan Kerja Raya Hulu Langat guidance and help stretch out.

Apart from that, I wish the most gratitude to my supervisor lecturer Encik Irwan Bin Mohammad Ali because helps me in completing this report. Thank you also to my friends because share a lot of information throughout the period we undergone practical training. Not forgotten to family member that always gives support and always pray to me.

Thank You.

ABSTRACT
