ACKNOWLEDGEMENT

First of all, thanks to Allah S.W.T for the blessing, I able to finished my report with successful within my Practical Training for the past fourteen months, work hard to understand the requirement about the topics. Unfortunately, without the help given from all the parties that has been involved, maybe at this moment yet I still wondering around trying so hard to understand clearly the topic given. I want to take this opportunity given to appreciate:-

First and foremost, I would like to thank appreciate to the director of Nazar Desa Sdn. Bhd, En. Radzali Bin Yaakob, En. Satar Bin Osman for their support and guidance through out the practical period. Special thanks for my supervisor at practical company, Miss Nur Amirah Binti Abdul Aziz and En. Bakhri Bin Hammad. May Allah bless and reward them for their sincere endeavor and contributions on the path of knowledge.

Next, I would like to thank appreciate in a very special way to my parents for their sacrifice and give their support along my practical period. I also would to convey my thousand appreciation to my supervisor Puan Nadhira Binti Ahzahar in supervising me right from the beginning till the end of the practical was completed.
