## **ACKNOWLEDGEMENT**

Firstly ,Alhamdulillah thanks to Allah S.W.T that give me strength to finish my report and my internship on Z.R Construction. BSR360 (Practical Training) has teaches me how to construct an excellent and commit report on Z.R Construction Sdn Bhd. Special thanks to my supervisor lecturer, Puan Norehan bin Dato' Hj Mohd Noor that guide me throughout the whole process of the report and advise me in many ways. My supervisor already thought and contribute many ideas in order for me to finish this assignment. Also special thanks to my lecturer who has been teach me the guideline for course code of BSR360 subject Sr. Mohd Norfaisal Bin Baharuddin.

Also special thanks to Encik Zamri(Director), Encik Khairi(Site Agent) and Encik Nizam(Clerk of Work) , and Encik Azman(Manger) for giving me opportunity to training at their company for about 4 months period. Not forgotten to all the staff of Z.R Constructiob Sdn Bhd that friendly and helped me during my internship. Last but not least, special thanks to my beloved friends and family for supporting and give me a lot of advice and motivational tips to ensure me to finish this practical training report within the deadline. They have helped me in many way such giving me guideline and information how to create an excellent report.
