ACKNOWLEDGEMENT

First and foremost, praises and thanks to the Almighty, for His showers of blessings throughout my case study which is one of the requirements that need to be fulfilled in the course work assessment for subject Technology Entrepreneurship (ENT600).

I had to take the support and guidance of some trusted article, who deserve my deepest gratitude, in preparation for my assignment. As the completion of this assignment brought me a great deal of pleasure, I would like to express my gratitude and big appreciation to Madam Yusrina Hayati Binti Nik Muhammad Naziman, Lecturer of Technology Entrepreneurship (ENT600), Universiti Teknologi Mara (UiTM) Cawangan Kota Bharu for providing me with good assignment guidance during several consultations. I do wish to extend my gratitude to all those who have guided me directly and indirectly in writing this task.

In addition, a thank you to my parents for giving moral support and some ideas to write this case study. Thank you for being an understanding parent and provide me the basic necessity such as a WIFI for me to complete my task. Many people, especially my classmates have made valuable comment suggestions on my paper which gave me the inspiration to improve the quality of the assignment as well as helps me in completing this assignment.
