ACKNOWLEDGEMENT

The internship opportunity had with Perlis Public Work Department was a great change for learning and professional development. Therefore, I consider myself as a very lucky individual as I was provided with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me through this internship period.

I express my deepest thank to Mrs. Umami sarrah bt Hj Othman, Assistance Director of Building and act as my supervisor for taking part in useful decision and giving necessary advice and guidance and arranged all facilities. I chose this moment to acknowledge his contribution gratefully.

It is my radiant sentiment to place on record my best regards, deepest sense of gratitude to Mrs, Normala BT Hussain, Assistance Engineer of building maintenance and also to Engineer and Assistance engineer of Building department and all staff for their careful and precious guidance which were extremely valuable for my study both theoretically and practically.

I would also like to thank to all the UITM lecturers that have guide me through the internship and nurtured me in becoming a better student and person. My deepest appreciation also goes to the lecture who directly involved during my training stint. To Mr. Faisal bin Bahardin, Supervising Lecturer, Miss. NAzhatul zalkis and Mrs. Azlina Bt kamarul, I value their time and encouragement that they have contributed towards the successful completion of my training. Last but not least, my special thanks to my beloved parent for their sacrifice over the years.

Thank you so much.
