## **ACKNOWLEDGEMENT**

First and foremost I would like to express our thanks to Allah because of His love and strength that He has given to us to do this industrial training report. I do thank for His blessings to my daily life, good health, healthy mind and good ideas.

Secondly, I would like to congratulate myself for being very and truly dedicated in order to finish this report that had been given by our dedicated lecturer Sr. Mohd Nurfaizal Bin Baharuddin and Sr. Nazhatulzalkis Binti Jamaludin, I finally get to submit this report before the due date in a very satisfying condition. It will be indeed a great pleasure for me if I manage to obtain excellent marks for this valuable work piece.

Special thanks to my supervisor Sr. Mohd Zaki Bin Shamsudin @ Md Noor guiding us to make the excellent report of Menara MPSPK building.

Also special thanks to my supervisor at Majlis Perbandaran Sungai Petani, Mr Mohd Zahir Bin Salleh an engineer at MPSPK and Mr Rosmizi Bin Mohamed Salleh which person in charge for the maintenance for the mechanical system at Menara MPSPK, Sungai Petani, Kedah for giving us opportunity, spending time to help us and giving information about this building.

Through the proceeding of this assignment I also able to discover more about what actually I studying in the class. I had struggled some hardships during the task however I managed to solve the problem quickly.

Lastly, I hope to achieve excellent and compliment for this task and bring honor toward myself.
