ACKNOWLEDGEMENT

Practical training exposing students to the real working environment and cultivate the spirit of work and relationships among employees. In addition, it also teaches us to prepare official reports and assignments as directed by the institute and practice safety rules while in industry. Special to our supervisor Sr. Mohd Norfaisal bin Baharuddin which is already guide us since the first day of this report has been made until the last day submission. Also special thanks to our lecturer who has been tutoring ways to make this report Sr Puan Aida Affina binti Abd Ghani. Our supervisor already thought me so many thing to finish this assignment.

Also special thanks to company of Caliph XG Engineering because give me .Supervisor in-charge is En. Mohd Zainuddin bin Abdul Bahari and management for spending their time to help me and giving information about this report.

Thanks to our friends and family for support and given an advice to finish this practical report. They have helped me in many way such as giving guideline and information how to create an excellent report.

Amzarfahmi

CONTENTS
