## ABSTRACT

The purpose of this report being prepared is to record the learning session throughout the course IMC690 that has been completed for a period of 5 months. This report contains the information regarding the organization chosen as training industry which is Perbadanan Perpustakaan Awam Negeri Sembilan. The internship students will undergo the experience of real working environments by working together with organization as the member of the industry. The internship students also need to carry out special project of its own which explained in this report. The special projects are talks regarding topic “Basic Library Management” and “Oral History” with a Felda figure. By the end of the training, the internship students should be able to understand the overall flows of the organizations.

## AKNOWLEDGEMENT

Assalamualaikum w.b.t

Firstly, all praises to Allah in blessing me in finishing Industrial Training and this report on the exact day. After been through the hardships, I can only hope for better success and a great result.

Next, I would like to thank everyone who has helped me whether it was directly or indirectly. Special thanks goes to En. Hamdan as my industrial supervisor who has been looking after me for the five months period and provide with a tons of knowledge.

A great appreciation also to Perbadanan Perpustakaan Awam Negeri Sembilan for giving me this opportunity to undergo Industrial Training for five months in their organization and gives me the unforgettable experiance.

Other than that, I would like to thank to my family members for giving me the motivational supports and the financial supports for the use towards my special projects during this internship.

Another great appreciation to En Ridzuan Ibrahim as my lecturer of supervisor for pay me a visits during internship period and guide me towards completing my project and this report.

Last but not least, thanks to all my friends who has given the best support during my hard times and to share their knowledge, ideas and opinions to improve my report writing and the special project.
