## **EXECUTIVE SUMMARY**

This business plan is proposed to complete the assessment that was included in our subject which is Fundamentals of Entrepreneurship (ENT300).

It is a five man company consisting of a General Manager, Administration Manager, Marketing Manager, Operational Manager, Financial Manager and a Chief Engineer. The business is amounted with RM100 000.00 budget.

It is expected that our business will progress further and become more profitable in the long run. Our product also has more potential to be innovated in future.
