ACKNOWLEDGEMENTS

In the name of Allah, The Most Gracious and The Most Merciful

I am deeply indebted to my supervisor, Puan Salihah binti Abdullah, for the assistance and guidance that received from her. I would not successfully complete this study without her valuable suggestion, advice and generosity.

I wish to express my sincere gratitude and appreciation to my family especially my wife, Wan Norhaziani binti Wan Harun, my children, Akil Amsyar and Nur Alisha Insyirah. Their love, support and understanding were a source of inspiration for me throughout this period.

I would also like to extend my deep appreciation to my parents, Yeop bin Hashim and Che Toom binti Sha'ari for their endless support, encouragement and love throughout the duration of my study at UiTM Dungun, Terengganu.

Last but not least, I'm very grateful to all my friends who involved in giving the respond and cooperation in this research. They have provided me detailed data and value the research findings.

May Allah bless all of us.

Sukayat bin Yeop

ABSTRACT

The purpose of this study is to investigate about problems and commitments among lower secondary school students. The respondents were students of Sekolah Menengah Kebangsaan Batu Rakit. The instruments used in this study was a set of questionnaires which is created in order to identify lower secondary students demographic profile, problems, commitments and effect face in their writing in English.

The data collected were analyzed using Microsoft Excel with simple pie-chart. There are three research questions of this research and there only one of the hypotheses is not supported. The result has also revealed the main problem of students' apprehension writing English Essay.
