## **Abstract**

The purpose of the Bulletin of UPNP is to provide a platform for the state enforcement of Pahang “Unit Penguatkuasaan Negeri Pahang” (UPNP) under the under the Pahang state government "Pejabat Setiausaha Kerajaan Negeri Pahang" to use as a source of reference after years of hard work, as well as to inform the entire Pahang community about the presence of this unit. It is intended to address the issue of gathering operational data in a more systematic and accessible manner across all zones and sectors of the unit. The UPNP's problem statement is that the challenges of gathering operational information have remained unresolved during the years of service. The purpose of the bulletin is to provide stakeholders with the information and understanding about UPNP enforcement actions that have been accomplish and are being carried out under the jurisdiction and direction of Pahang state authorities. The scope of the bulletin includes the UPNP's power source, field of work, task dimensions and functions, and operational operations completed. The establishment of the Unit Enforcement State of Pahang (UPNP) was approved by the Council Government Meetings Pahang as the UPNP's power source (MMK). The dimensions and functions of the tasks as the operations performed are based on the Acts and Enactments State within the jurisdiction state government.

## **Acknowledgement**

I cannot thank my lecturers enough for their continued support, Sir Mohd Akmal Faiz Osman, my course coordinator, Sir Ts. Mohd Zafian Mohd Zawawi, my supervisor. I offer my earnest appreciation for the learning openings given by them.

The completion of this project and my industrial training report would not have been complete without the support of my office colleagues and classmates, Mr. Zairul, Mr. Harris, Mrs. Sharifah, Syakira, Daniel and Aziz. Thank you for all the retention and help you all have given me. Not to forget, thank you also to my parents as well for their support throughout the beginning till end of the industrial training.

Finally, and most importantly, thanks to Mr. Ainuddin Iswadi bin Mashudi, my industrial training supervisor, who also had helped me with ideas, problem solving and new knowledge sharing during the industrial training and completing the course.
