Academic Writing : The Factor Less Participate in Takaful Among Youngsters: A Case Study to NonResident (NR) UiTM Shah Alam.

Signature of Student :

Date : January 2019

ABSTRACT

Financial management such as takaful among youngsters has been a vital concern for each and every institution and community. This is because youngsters are tended to enjoy their life than to save for their future. Therefore, the solutions are needed to overcome this problem. This study attempts to determine the factors that affecting less participation in takaful among youngsters. The study was carried out by conducting a survey questionnaire to 60 students' non- residents of UiTM Shah Alam. Concept of takaful industry, factors less participation in takaful and suggestion for method are the factor that has been investigates in this study. The study showed that the listed factors in survey are the possible factors that make the youngsters are not interested in takaful. The study also showed that the listed suggestion is possible method to increase youngsters to participate in takaful. The SPSS software is used to analyze the data gathered from the respondents.

ACKNOWLEDGMENT

“In the name of Allah, the Most Gracious and the Most Merciful”

All praises to Allah because of His Almighty and His utmost blessings for giving me the opportunity to conduct this research and able to finish this research within the time duration given. First and foremost, my gratitude and thanks to my supervisor, Prof. Dr. Huzaimah Ismail. Thank you for the support, patience and ideas in guiding and assisting me with this project. I also would like to express my gratitude to my examiner, Dr. Kamariah Yusoff whose also patiently provides me knowledge and assistance.

Special appreciation goes to my mother, Noorhuda Ahmad and my ver dear father for the vision and determination to educate me. My gratitude also goes to my family members for giving me continuous support and courage throughout the time.

Last but not least, I also would like to express my gratitude to all of my friends especially Nur Nabiilah, Siti Zubaidah, Nora Fadilah and Siti Nor Aisyah for keep on supporting and helping me at all times.

Thank you.
