Faculty : Academy of Contemporary Islamic Studies  
Academic Writing Title : Primary Issues On Preparing Will In Malaysia:  
Focus On Syariāh and Administrative Issues  
Signature of Student :   
Date : July 2018

## ABSTRACT

The accumulated and unclaimed property, lack of understanding and confusing with other Islamic inheritance distribution and lack exposure among Muslim of institution services will are trying to deliver that it has becoming a growing concern. These difficulties cannot be resolved if each party do not takes into their respective roles in implementing it. This research aim is to identify the primary issues in preparing wills among Malaysian. Then, to scrutinize the syariāh and administrative aspects on selected issues of wills and to suggest syariāh and administrative solutions in the management process of wills in Malaysia. This research has been conduct by using qualitative method which obtained from observation data that has been made on the execution of wills at the Religious Council Islam of Selangor (MAIS) institution and documentation data from literature reading on journal, articles, books, thesis and online news. The data was analyzed that the community knowledge in syariāh aspects of will and the way of administration of will in Malaysia. Also, this research also suggested several things so that the issues can be reduced. Researcher hopes that it will create awareness and open the eyes of many parties in understanding the importance of the will of knowledge. At the same time, researcher hope it can avoid problems and issues can be avoided for peace in a family, religion, and economy of Malaysia.

## ACKNOWLEDGEMENT

Firstly, in the name of Allah SWT, the most beneficent and merciful who gave us strength and knowledge for giving me the opportunity to completing these long and challenging research successfully. Then, I want to give my big thanks to my supervisor, ustaz Mohd Dasuqkhi Bin Mohd Sirajuddin and my examiner, ustaz Najahuddin Bin Lateh. I want to thanks for the support, patience and ideas in assisting me with this paper.

I would also thankful to my parents to give me moral support whenever I feel want to give up during this project. Also, I want to thankful for support me in term of money because this project cost many of money.

I also want to say thank you to everyone especially my friends for supported me, for that I have completed my report effectively and moreover on time. They gave me many helpful comments which helped me a lot in preparing this research paper.

Last but not least, to my coordinator, ustaz Solahuddin Bin Shahrudin for giving me advised and helping me to complete this academic paper. Thank you.
