PURPOSE OF PREPARING BUSINESS PLAN.

This business plan is prepared for as a guideline and valuation from outside to convince them about stability of this company. It also as a guideline for day-to-day management of the business.

It also prepared for customers and suppliers, in given them a view about our strongest in asset and financial. The business plan is also a guideline to a new entrepreneur who interested in involves the same business.

Otherwise, this business plan can also be a guide to our company to manage the company more systematically and efficient, so that long term plan can be done with more properly and to be able to distribute business resources more effectively.

Other than that these business plan also can be practice our knowledge and skill and prove own capability among Bumiputera to involve in this business.
