Tanjak Bersauh

Kapal bersauh di tengah laut,
Menempuh gelora meredah badai,
Sungguhpun tegap gagah bertaut,
Gelisah di jiwa tidak terlerai.

Awan berarak melintas lautan,
Meniti masa menyusuri laluan,
Sifat ayahanda sentiasa mengiakan,
Walau sukar digeleng jangan.

"Tanjak Bersauh" is a decryption of my interpretation of the earnest thoughts of a persona which is undoubtedly important and the most respected in the society - a father. Respect, fierce, physically strong, mentally calm and peace; a father will always and forever be our hero despite their chaotic life or even unpredicted challenges. The tanjak which is a resemblance of a ship is made out of one of the most delicate fabrics; silk to embrace the soft spot they are frequently being ignored or forgotten. The tangled strings hanging down shows the responsibility they are holding while bearing with other things as well.
