ACKNOWLEDGEMENT

Bismillahirrahmanirrahim

Thank you God for the grace and mercy, let me prepare a report entitled **Substructure Construction** for the project ‘Construction and Completion Cure & Care 1Malaysia Clinic in Bandar Seri Iskandar, Perak’. According to the schedule set successfully.

On this occasion, I wish to express my gratitude goes to Encik Rusdi bin Hassan (Jurutera Daerah) for giving me the opportunity to undergo industrial training at the JKR Jabatan Jurutera Perak Tengah Seri Iskandar. And thanks also to my supervisor, Puan Norjuliza Azlina Binti Mohd Basri (Jurutera Bangunan) for giving me the opportunity to learn by practical at construction sites, as well as assistants of engineer (JA 29) in the Building Department for guidance and invaluable experience as knowledge to me in the construction work. This gratitude also goes to my supervisor lecturer, En. Irwan bin Mohammad Ali, who is willing to provide guidance and tutoring during the process of preparing this report.

To friends who were willing to help and inspire as well as to the parties involved, directly or indirectly, thousands of thanks for giving me encouragement throughout the learning process is to realize that in this report.

Lastly, before withdrawing, I hope that my work can provide a useful guide to me and bring benefits to the judge.
