## ACKNOWLEDGEMENT

First and foremost, I want to congrats my self Fatin Nabilah Binti Zawawi for being able to finish writing this report in time given.

Next, I would like to express my deepest appreciation to all those who provide me the possibility to complete this report. A special gratitude I give to my supervisor Puan Nadira whose contribute in simulating suggestion and encouragement, help me to coordinate my report.

Furthermore, I would also like to acknowledge with much appreciate to all the staff in JKR, Kuala Lipis who give me a ride to go to the site

A special thanks to all my friends. Last but not least, for my parents that give all the support for me to write this report. Thank you
