ACKNOWLEDGEMENT

I would like to thank Associate Lecturer SR. NUR FADHILAH BAHARDIN of the Faculty of Building Surveying, Universiti Teknologi MARA who has reviewed and given commitments, comprehensive and generous advice towards accomplishment of this practical report. Great thank to En Mohd Hazim bin Hassan my supervisor and all the staff who contribute a lot in this internship training.

I also thanks to both of my parents and family for supporting me during my practical training at this company. Otherwise, it is quite impossible for me to accomplish my report.
