ABSTRACT

This project report is to present the tendering process for reinstatement of Kebangsaan Petroleum Operating Company Sdn Bhd (KPOC) at Menara HLA. For this report, it will include the tendering process on choosing the best contractor base on their requirements the lowest price. The contractor also should include all the required certificate. This report is based on my experience during practical training when visited the site. Most information is gathered from all personnel that involved inside construction and at the headquarters. The site chosen are Menara HLA, Kuala Lumpur

ACKNOWLEDGEMENT

I would like to thank Associate Lecturer Sr Aida Affina binti Abdul Ghani of the Faculty of Building Surveying, Universiti Teknologi MARA who has reviewed and given commitments, comprehensive and generous advice towards accomplishment of this practical report. Great thank to Shamzuraili binti Mamat my supervisor and all the staff who contribute a lot in this internship training.

I also thanks to both of my parents and family for supporting me during my practical training at this company. Otherwise, it is quite impossible for me to accomplish my report.
