

Strengthening Bonds Through Pharmily Day 2022

Pharmily Day, one of the most anticipated events of the semester, marked the end of 2022. This program was organised by the Sekretariat Mahasiswa Fakultas Farmasi (SMF) and Society of Pharmacy Students (SOPHYS) on December 21, 2022 at the FF4 corridor, Faculty of Pharmacy, Puncak Alam Campus, Universiti Teknologi MARA. Surprisingly, despite being held for the first time, this event garnered positive feedback from participants. With the slogan “Strive Together, Care For Each Other”, this programme achieved its purpose of further strengthening the relationship and bridging the gap among the faculty members.

Pharmily Day was carried out with the concept of *sukaneka*, where participants performed a variety of games in the groups to which they had been assigned. Each group was required to play games such as ‘field bowling’, ‘sponge squeeze’ and ‘flying balloon’ at the allocated checkpoints. Bonus points were awarded to the group that managed to answer the question correctly. At the end of the event, the top 3 groups with the highest scores were given the grand prizes which came in the form of a hamper. Group 1 led by Mohammad Asyif Ali Bin Akhtar Ali was crowned the grand prize winner, followed by Group 10 as the runner up and Group 6 in third place.
