ABSTRACT

This project is about to Proposed New Interior Design of "house of herbs café" for Anjaad Manufacturing Industries at lot 7 & 8 Waterfront Bistro Esplanade Wing, Lumut Waterfront 32000, Lumut Perak. The client of this project is Mr Ahyaluddin Bin Abd Wahab and his wife Siti Rahayu. This project proposed based on their need that is herbs café .This is the starting of their business in food, before this the company only known in as a leader and pioneer in the industry drying and processing. To complete the requirement of this project, interview, research in internet, observation is being doing to make sure all the data are required. Te site that proposed for this project are the single building at Lumut,Perak. The objective of the project is to provide a new cafe for Anjaad Manufacturing Industries and make development for a new space planning with the best arrangement, so that the customer feels more relax and comfortable come and eating in this café.

ACKNOWLEDGEMENT

Assalamualaikum w.b.t.

The first thankful to Allah s.w.t because of the strength and grace that been given to me in completing my final project report. I would like to say thank you and the appreciation to Mr Abdul Hamid Bin Mohammed as my supervisor for this final project report and always aided me by given some suggestion in effort to complete this final project report.

A very thankful and appreciation to Mr Suhaimi Bin Musa as well as a coordinator programmed for this subject INA 396 and has educated in coached me in effective approach in writing report with the right format.

I also would like to express my acknowledgement for this herbs café as my client that has assisted a lot in provides information about the project opinion of the space requirement. Also for my family that have give me support and motivation from any aspect especially physical and mental. In other sources, acknowledgement is also intended to other lecturer UiTM Perak and my colleague friend that has been giving me inspiration and some idea to complete my final project report. Lastly, thanks goes to all of the help preparing this final project report and your contributions, sacrifices I will never forget.

Thank you .
