MUN COFFEE

Mun Coffee is a cafe that is founded by Erin Ayshah who is an astronomy lover. The cafe was first opened in 2020 at Q Avenue Queensville, Bandar Sri Permaisuri, Cheras, Kuala Lumpur. Mun Coffee is an astronomy themed cafe filled with the solar system aesthetics. Mun Coffee provides local and western food, coffees, beverages, desserts and pastery. The cafe also provides delivery service by delivering food through various online delivery platforms. As of today, Mun Coffee curenly has only one outlet.
