MANIS BAKERY SUPPLIES

Manis Bakery Supplies is a business established in the year 2016, located at E831, Jalan Mat Kilau 1, Kuantan, Pahang. The business focuses on providing halal and high quality baking supplies with high quality service. Manis Bakery Supplies' target market are bakers of all age and gender. For my final studio project, I decided to rebrand Manis Bakery Supplies to give it a more modern and new look to attract more customers since they lack an attractive design. The new design promotes sweetness, playfulness and the feeling of reliability or comfort.
