Tell us about your family:

I am the youngest of three siblings. Married and blessed with one adorable son.

What is your philosophy in teaching and learning?

If you want to master something, teach it. The more you teach, the better you learn.

What were your favorite and least favorite chemical engineering classes?

Favourite: Heat Transfer

Least favourite: Separation process

Other than chemical engineering, what field that you are interested to study?

Foods and music

What was the best memory of your time at UiTM?

My favourite memory at UiTM when I first met my husband at Level 9 during Misi Akademik meeting.

Where you will be in 10 years from now?

Successful lecturer with a balance between teaching and research.

What are some of your beliefs on how to be successful?

If you get tired, learn to rest, not quit.

What advices would you give to current students and recent graduates

Accept the challenge. For every challenge encountered there is opportunity to growth.

Prepared by

Faculty of Chemical Engineering
Universiti Teknologi Mara Cawangan
Pulau Pinang Kampus Permatang Pauh,
Pulau Pinang.
