ABSTRACT

Malaysia holds many attractions for the visitor. Blessed with verdant rainforest, beautiful marine, lakes, world heritage sites and an abundance of flora and fauna, Malaysia is a versatile holiday with something for everyone. But Malaysia offers much more than just eco-tourism. Its warm, pleasant climate all year round ensures that there is truly no wrong time to visit the country. And accessible cities, excellent infrastructure and amenities and friendly English-speaking population provide the visitor with great ease of travel and opportunities to engage in a range of experience found nowhere else.

Everything has become sophisticated in this modern world especially in the automobile sector. As we all know the automobile sector in Malaysia facing many problems, especially in the design aspect so we need to do something with it.

Not being left behind transportation such as lake vehicles. Nowadays, these types of vehicles are rarely too commercial in market sector. In basically this vehicles are known or use just for resting and enjoying. This vehicle is use at lake and Theme park, it is one of the interesting places and location for foreign and local tourist comes for relaxing.
