

Haiku

Motivation & Dreams

by Dr Nur Ilianis Adnan

Look around in life
Watch everything like movies
Decide what you want

If you feel off track
Remind yourself that even
Plane go off radar

Regardless the routes
Enjoy the journey and rides
Till you reach the peak

If you ever doubt
Smile and mutter to yourself
I can and I will

I can clearly hear
The sound of the white moun-
tains
Reaching out to me
