ABSTRACT

This research investigated the relationship between office environment and employee's performance at Institut Tadbiran Awam Negara, Northern Regional Campus (INTURA) in Sungai Petani, Kedah. The data was gathered through the questionnaires distributed to the total of 66 employees' at Institut Tadbiran Awam Negara for further analysis. The research study was found that there is a relationship between office environment and employee's performance at Institut Tadbiran Awam Negara, Northern Regional Campus (INTURA) in Sungai Petani, Kedah. For chapter 3, it contains the research design, sampling frame, population, sampling technique, sample size, unit of analysis, instrument, validity of instrument, data collection procedures and plan of data analysis. Based on descriptive statistics analysis on the previous chapter 4, it shows that all variables for office environments are the influence factors towards employee's performance at Institut Tadbiran Awam Negara, Northern Regional Campus (INTURA) in Sungai Petani, Kedah. So the conclusion for this objective is there are relationships between office environments and employee's performance. According to descriptive analysis table, the respondents agree that hypotheses, there is a significantly relationship between lighting and employee's performance at Institut Tadbiran Awam Negara, Northern Regional Campus (INTURA) in Sungai Petani,. Kedah was the main factors that influenced employee's performance.

ACKNOWLEDGEMENT

Assalamualaikum w.b.t. In the name of the Allah, the Most Merciful and Most Compassionate I would like to give thanks to The Most Merciful God, Allah S.W.T.

The work presented in this research study was accomplished under the inspiring guidance, generous assistance from my advisor, Puan Wan Masnieza. I also would like to express gratitude to her for her scholastic and sympathetic attitude in the completion of this research. She has always been a source of guidance and motivation for me.

I am also indebted to INTAN Northern Regional Campus (INTURA), for giving the permission to carry out my industrial training and providing the appropriate facilities for this research study. Next, I would like to express my gratitude to my supervisor, Puan Zahidah binti Abd. Jalil for her helps and supports.

Special thanks to my friends for their valuable support and continuous encouragement gave me the motivation to go on. Last but not least, deepest gratitude and appreciation to my family especially my father and my mother for their supports and inspirations. Thank you so much.
