ACKNOWLEDGEMENT

BISMILLAHIRRAHMANIRRAHIM

In the name of ALLAH, the All Mighty, Most Gracious and Most Merciful I would like express the highest sense of gratitude for giving me the ability and blessing to finish my project on time. Through his guide, wisdom and permission that he has given me I was able to overcome all the obstacles that occur during the process of completing this project.

Next I would like to say thank you and be forever indebted to my supervisor Mr Mohd Nor Hajar Hasrol Bin Jono, who have given me priceless advice and guidance in ensuring that this project can be completed on time. Through his great knowledge and advice I was able to solve the problems that occur during the development of this project. With his aid I was able to improve the project from time to time and finally finished it.

Not forgetting also my parents who have always been there for with their morale and prayers for the success completion of this project. I would always be grateful for them all helped they have given me. Thanks for being there for me in times on needs and hardship. I would never forget it for the rest of my life.

Thanks also to my friends who have aided and give continuous morale support, not to mention great advices in ensuring the smoothness in the process of developing this project. Thank you so much being a good friend.

Thank YOU
