ACKNOWLEDGEMENT

First and foremost, we would like to express our heartfelt gratitude to Allah S.W.T for allowing us to successfully complete our social media portfolio report thanks to His blessings and guidance.

Secondly, we'd want to express our gratitude to University Technology MARA (UiTM) Campus Puncak Alam, Selangor for providing us an opportunity to work on this project.

Next, we would like to express the deepest appreciation to Dr Nor Harlina Abd Hamid, our Principles of Entrepreneurship (ENT530) lecturer for providing us with the opportunity to complete this project assignment as well as for providing us with continual excellent support and direction throughout the semester of our project.

Moreover, our heartfelt gratitude to our family, who did everything they could to help me by providing me with a lot of encouragement. Not to mention all of our friends who had backed us up and shared their knowledge with us throughout the semester.

Lastly, we would like to thank Supercube for giving us this opportunity to experience this. They have contributed indirectly in our assignment until we have completed our social media portfolio report successfully.

EXECUTIVE SUMMARY

Supercube is the name of the corporation that began with the initial product line; Supercube. The items are cubes containing molasses and herbs that are typically used to make a drink. Supercube is a corporation that provides not just high-quality items, but also a platform for anyone interested in starting their own business.

Our business was started on 14 April 2022. Since we are dropshipper, we had taken classes before to prepare us for all the products that is included in Supercube. From the customers review our product tasted good but also give them the soothing and calm effect from the products.

2.0 FACEBOOK (FB)

As we are starting our business, we had created a Facebook Page. This is to promote our products among Facebook users, especially during this modern world where everything can be done online and send straight to your door.

We are aware that people nowadays are increasingly interested in the internet, where they can simply search for and obtain information. As a result, having a Facebook Page is an excellent way to link our company with our customers over the internet. We generated teasers, soft sell, and hard sale Facebook posts with the linked company on the Supercube NaniBatrisyia Facebook Page.

Euwwww...muka putih tapi tangan hitammm !!!
mgnt tak dialog ni?

Ramai yang Nak kulit cantik tapi tk tahu mcm mne...
DAN... ramai juga yang fokus pada penjagaan kulit wajah dulu berbanding badan. Kulit badan pun perlukan penjagaan tau. Makin berumur kolagen makin kurang, kulit nampak kendur, kusam, kering, banyak sel2 kulit mati yang mengumpul. Siapa rasa masalah macam ni you guys should take extra precautions tau.

What you need is:
Salah satunya - exfoliate kulit. Bila sel kulit mati dibuang, mudah untuk produk lain macam Moisturizer nak absorb dan penetrate ke dalam kulit. Sel kulit mati tak boleh tertinggal dengan sendiri. Hasilnya, kulit jadi sekat dan nampak bersih. My NATURAL PREMIUM exfoliator - mestilah TERESAK Exfoliator 🤩

Sebab TERESAK EXFOLIATOR ni 4 in 1 guys..
CLEANSE
EXFOLIATE
TONING
MOISTURIZE
Nak ana lagi? Semua dah Ada.

3.0 CONCLUSION

In a summary, Supercube NaniBatrisyia is a retailer that offers a variety of Supercube products online through its Facebook page, Supercube NaniBatrisyia. To summarise, we may promote and market our products as well as raise awareness of our existing business brand among Facebook users by doing our business through a Facebook page. We can use this type of platform to share the most recent information about our company's activities or events.

Furthermore, it provides benefits not only to our company but also to ourselves, as we are able to keep up with current business trends by not only using Facebook but also by using other available platforms to improve our IT knowledge and skills. Then, instead of becoming an out-of-date businessperson, it will help us develop by keeping up with current events in our country.

As a conclusion, as a start-up firm with a Facebook page, we were able to accomplish some of our objectives, and we will continue to do so in the future by growing and operating our business through other available social media channels, as well as improving our marketing strategy.
