DECEMBER 2008 - APRIL 2009

ACKNOWLEDGEMENT

First of all, I would to thank God for giving me commitment and strengths to be able to complete this study on “Parents Support and Participation in Their Children’s Educational Achievement”. Without commitment and strengths, I would not be able to complete this research as well as to gone through all the difficulties while conducting this study.

To my respectable supervisor Miss Shirley Simon a special thanks to her for all her supports and encouragement as well as giving and providing valuable guidelines for me. Not forgetting, special thanks to all lecturers that contributes a lot in terms of giving a guidelines and encouragement to ensure a smooth undergoing of this research of mine.

As for my beloved parents and siblings, thanks so much for their supports and encouragement given to me in order to conduct this study. To all the respondents, thank you for giving cooperation in answering all questions openly.

Finally, I would like to thank to all of my outstanding classmates who helped me out by giving and contributing additional information and guidelines. I am most grateful for all of their uncompetitive participation. Thanks again and may all of your good deeds will always be remembered.

ABSTRACT

This study conducted for 50 respondents at Kampung Penampang Proper for the purpose to see the level of parents support and participation and to examine the factors associates with the parents support and participation in their children's educational achievement. From the findings that have been conducted by using descriptive and Spearman's test analysis, it shown that most of parents do aware and concern about their children's educational achievement and the factors that are vital towards parents support and participation are parent's responsibility, communication between parents and children and supporting learning at home. Parents reported that their responsibility, communication between parents and children and supporting learning at home played important factors that they should maintain and sustain continuously in order to ensure that their children's success academically in present and future time.

Table of Contents

Chapter 1: Introduction

1.1	Introduction.....	1 - 3
1.2	Problem Statement	3
1.3	Research Objectives.....	4
1.4	Scope of the Study.....	4
1.5	Significance of the Study.....	4 - 5
1.6	Definition of Terms/Concepts.....	6
1.7	Limitation of the Study.....	6

Chapter 2: Literature Review & Conceptual Framework

2.1	Literature Review	7 - 34
2.2	Conceptual Framework	35 - 38

Chapter 3: Research Method

3.1	Research Design.....	39
3.2	Unit of Analysis.....	39
3.3	Sample Size.....	39
3.4	Sampling Technique.....	39
3.5	Measurement & Instrument.....	40
3.6	Data Collection	41

Chapter 4: Findings and Analysis

4.1	Reliability Test Analysis.....	42
4.2	Frequencies:	
	Part A.....	43 – 44
	Part B.....	45 – 49
4.3	Findings by Objectives.....	50 - 53

Chapter 5

5.1	Discussion.....	54 – 55
5.2	Recommendations.....	56 - 58
5.4	Conclusion.....	59 -61
