ACKNOWLEDGEMENT

Primarily, I want to thank Allah S.W.T for guiding and blessing me and my partner in successfully completing my social media portfolio report. Then, I'd like to thank University Technology Mara (UiTM) Campus Puncak Alam, Selangor for allowing us to complete this project assignment. Next, we like to express our sincere gratitude to Miss Nur Najjah binti Abd Rahim, our Principle of Entrepreneurship (ENT530) lecturer, for providing us with this opportunity to complete this project assignment as well as for providing with continuous great support and guidance throughout the semester of my project. Thankfully, me and my partner can resolve any challenges or issues that come throughout the completion of this project assignment.

Moreover, my deepest gratitude to our family who tried their best to give their support by giving us a lot of encouragement and provide the financial for use to pay all the cost required from the beginning until the end of our project assignment. Not to forgotten to all my friends who had supported and shared knowledge to me through this whole semester, especially my partner who being so helpful for this assignment. Finally, I would also like to thank you to everyone who had involved and contributed directly or indirectly in my assignment project as they have been shown their effort and initiative until me and my partner able to complete this social portfolio report successfully.

Thank you.

EXECUTIVE SUMMARY

We are establishing a specialty desserts business for the purpose of creating line of products based on our own recipe. Homemade Burn Cheese Cake is a business partnership which primary objective is to provide all customer with the highest quality homemade product. This business are owned by Nur iffah nabihah and Nurul hazwani. Our business was started in October 2021, and we began promoting it on Facebook in November 2021. We utilize the Facebook platform to take orders from customers, provide comments, and keep track of everything that goes on in our business. these homemade products are positioned as a uniquely branded, high-end gourmet product intended for sale through gourmet retailers and the internet.

Burn cheese cake is a specialty dessert from the Basque region of Spain. Our business's trademark is 'Smilelicious Bite', this trademark refers to our homemade product, burn cheese cake, which has a fantastic taste and a texture that will make people adore it from the first bite since it is cooked with love at home. The taste and texture, according to customer reviews, would make you fall in love since it is not overly sweet but soft and fluffy. As a result, our product delivers useful information for continuing to sell to our customers.

Hence, we have a variety of toppings available, including original, Cadbury, Nutella, and fruit. We also provide services for any celebration, such as a birthday party and so on. In business, we provide excellent service and high-quality burn cheese cake to meet the needs of our customers. We are focusing on consistent high standard of production and getting profited through making easy availabilities of relaxing beverage. We believed that our business always deliver more than expected.

5.0 CONCLUSION

In conclusion, Homemade Burn Cheesecake already fulfil the target market and based on our selling, we have got a lot of positive feedback. These feedbacks given us a spirit to continue our business as our side income. Based on this business, we have learnt how to handle and deal with customers, arrange time to study and doing part-time business, and we also learnt how to manage our finance. Furthermore, doing this business also challenging us due to there are another known product such as Secret Recipe, but we are still maintaining our recipe and prices to make sure our customer's happy buying with us.

We are glad that we were able to finished this social media portfolio. As a student, this small business has helps us a lot to make a side income during study. Even though we face a lot of problem and struggle to handle this business, we enjoyed it too much. Our goals are to make sure that our customers can have a taste of our product and love it. We also have proven that we can run this business even we are studying.

Lastly, as a new entrepreneur, there's a lot of things that we need to learnt and improve to make sure our business can stay along in this industry. We will commitment and take full responsibility in managing our business and keep going with new updates every day to our beloved customers.
