ACKNOWLEDGEMENT

Alhamdulillah and praise to Allah for giving guidance and help to finish this research project. Despite all of the challenges, we were able to complete the job effectively thanks to Allah SWT's support and guidance. Firstly, we would like to express our gratitude and appreciation to our supervisor, Nurliyana Shazali Binti Mohd Shazali and our lecturer, Dr Nurul Hidayana Binti Mohd Noor for their sincere help and commitments in helping us to finish this research project. Honestly, without the help of them, we will be unable to finish this research project within allocated time. Through finishing this research proposal, we have learnt and received many useful information regarding this study. This information and experience, we hope, will be valuable in the future.

Furthermore, we would want to convey our deepest gratitude and love to our family, friends, lecturers, and friends for their unwavering support and encouragement in helping us achieve this project. Thank you to everyone who was involved in this study, either directly or indirectly, during the duration of the project. Their involvement is really beneficial in terms of enhancing our thinking skills and maintaining our concentrate on this research.

Abstract

This research investigates awareness of e-waste disposal behaviour among UiTM Seremban 3 students. This research currently focusing on all available faculty in UiTM Seremban 3 which has 3 faculty that consist of students from diploma and degree level. This research conducted to seek the relationship occurred between independent and dependent variables. The focus of this study is to seek the relationship between knowledge, attitude, and practice towards awareness of e-waste disposal. Moreover, this research is including the demographic data of gender, age, faculties, semester and device own. In this study, the survey approach of distributing online questionnaires was used to gather information and data in completing the discussion. Hence, this research founds that all the above independent variables play a huge role on determined the awareness towards e-waste disposal behaviour among the students of UiTM Seremban 3. Therefore, this research offers more suggestion and solutions to overcome the level of e-waste awareness among UiTM Seremban 3 students to be implemented and not to forget to be implement towards other students and other university that available to raise the level of e-waste awareness.

Table of Contents

CHAPTER 1.....	8
1.0 Introduction	8
1.1 Background of the Study	8
1.2 Problem statement.....	10
1.3 Research questions	11
1.4 Objective	12
1.5 Scope of the Study.....	12
1.6 Significance of the Proposed Study	13
1.6.1 Student of UiTM Seremban 3.....	13
1.6.2 Centre of Study.....	14
1.6.2 To reduce the pollution cause by e-waste towards the environment 14	
1.7 Definition of Terms, Terminology and Concepts	15
1.7.2 Awareness	15
1.7.2 Behaviour.....	15
Chapter 2	16
2.0 Introduction	16
2.1 Overview on E-Waste Disposal	16
2.2 Awareness behaviour of e-waste (Dependent Variables).....	18
2.3 Knowledge, Attitudes, Practises (KAP) that Influenced the Awareness..	18
2.3.1 Knowledge and Awareness of E-Waste Disposal Among Students (Independent Variable 1).....	19
2.3.2 Attitude and Awareness E-Waste Disposal Among Students (Independent Variable 2).....	20
2.3.3 Practice and Awareness E-Waste Disposal Among Students (Independent Variable 3).....	21
2.4 Conceptual Framework.....	23
2.5 Hypothesis	23
2.5.1 H1: Knowledge and Awareness of E-Waste	24
2.5.2 H2: Attitude and Awareness of E-Waste.....	24
2.5.3 H3: Practice and Awareness of E-Waste.....	25

CHAPTER 3.....	27
3.0 Introduction	27
3.1 Research Design	27
3.2 Unit of analysis.....	28
3.3 Sample Size	28
3.4 Sampling Technique	29
3.5 Measurement/Instrumentation.....	30
3.5.1 Awareness of E-Waste	30
3.5.2 Knowledge of E-Waste	31
3.5.3 Attitude of E-Waste.....	32
3.5.4 Practice of E-Waste.....	33
3.6 Data Collection.....	34
3.7 Data Analysis	36
3.7.1 Preliminary analysis.....	36
3.7.2 Descriptive analyses.....	38
3.7.2. Testing the hypothesis.....	38
CHAPTER 4.....	41
4.0 Introduction	41
4.1 Demographic profile.....	41
4.2 Preliminary analysis	44
4.2.1 Normality Test.....	44
4.2.2 Reliability Test	45
4.3 Main Findings.....	46
4.3.1 To examine the level of awareness of e-waste among UiTM Kampus Seremban.....	47
4.3.2 To examine the influences of knowledge, attitude and practises towards e-waste awareness	48
4.3.3 To determine most factors that influence awareness among students in UiTM Kampus Seremban.....	50
4.4 Summary of the Hypotheses	52
CHAPTER 5.....	53
5.0 Introduction	53
5.1 Discussion.....	53
