ORCA

ARMY COMBAT BOAT (TRANSPORT DESIGN)

Design Advisor : MR MOHD TAUFIK ZULKEFLI

ORCA is a combat boat specially designed for the purpose of combat and ambush the enemy that occur on or in the water whether in a river, lake, or sea. It has the latest features such as radar, GPS & advanced computer system to monitor the condition of the boat & during operation. The boat uses a high-powered engine that allows it to move faster & allows any operation to run smoothly.

Its design that highlights the elements of a fast-looking boat illustrates its function that can act immediately when needed. Its various functions coupled with advanced features make this boat a practical boat and suitable for use in any operation or situation. Indeed, ORCA is the long-awaited patrol boat by those who need a water vehicle that meets their needs.
