LEAF CHAISE LOUNGE CHAIR

CHAISE LOUNGE CHAIR (FURNITURE DESIGN)

Design Advisor : MR. ABU HANIFA AB HAMID

This chaise lounge chair is inspired by nature; which is the leaf. The dimensions of the chaise lounge chair are focused for adults. The design started from the shape of one branch lines, and a leaf as a main design character. This chair will also provide comfort to the user, as it has a leather material for backrest and also has an armrest. This chair also has an attractive and unique design. It may not be more functional, but it will provide comfort for users who use it.

This chaise lounge chair that the designer designed, is to create a soft looking leaf inspired chaise lounge chair that is comfortable when the user use it for resting, sleeping and reading. The chaise lounge is also suitable to be placed in compact living room and also to create a new chaise lounge chair with nature-inspired design and unique.
